**Appendix 1: Vehicle summary**

| Public or internal vehicle registration number | Manufacturer | Purpose of vehicle | Location where vehicle is used | Requested usage area | Approved usage area*) | Restrictions *) | Badge number *) |
|--|--------------|--------------------|--------------------------------|----------------------|-----------------------|-----------------|-----------------|
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |
|  |              |                    |                                |                      |                       |                 |                 |

\*) To be completed by FSG

The following restrictions are stipulated by traffic management for driving in the restricted area:

- 1 - No right to drive on the southern apron or to use the southern check-points.
- 2 - Right to park the vehicle only when implementing the requested activity at Stuttgart Airport.
- 3 - Exclusive right to drive between the East Gate and LVT or OPS building
- 4 - Entrance via the nearest check-point to the construction or usage site

# Application for approval to drive in the restricted area of Stuttgart Airport for the year 2019
